11:30 pm – 1:00 pm

Lunch (provided)

1:00 pm – 2:00 pm

Overview of proposed improvements to model specifications

This presentation will highlight the work completed by state administrators in partnership with industry representatives to inform the development of a modern technical standard for interlock devices.

2:00 pm – 2:30 pm

Break

2:30 pm – 4:30 pm

Platinum Sponsors Device Testing

This session will illustrate the impacts of a variety of products on interlock devices & ways to distinguish between alcohol consumption & mouth alcohol or other contaminants.

6:00 pm – 9:30 pm

Industry Networking Event

Location: TBD

Tuesday, May 19, 2026

7:30 am – 8:00 am

Breakfast (provided)

8:00 am – 12:00 pm

Service Center Inspections & Technician Certifications (Field Trip)

Participants in this session will be organized in three separate groups & each group will have an opportunity to visit two different service center locations with a third group remaining at the hotel for a special service center training session. Groups will then rotate. AIIPA's new service center training video on inspections will be shared and participants will have the opportunity to view THP vehicles used for policing.

12:00 pm – 1:00 pm

Lunch (provided)

1:00 pm – 2:00 pm

Increasing participation by overcoming program barriers

In this session, participants will learn about the multiple ways that participants can enter the ignition interlock program & how the development of these various paths have increased program participation.

2:00 pm – 3:00 pm

Outcomes of Washington State's compliance project

Washington State implemented a pilot project to increase compliance with interlock laws. Findings from this pilot & their applicability to other jurisdictions will be shared.

3:00 pm – 3:30 pm

Break

- 3:30 pm – 4:30 pm **Interlock program affordability features**
This session will explore the different mechanisms states have leveraged to facilitate participation among offenders who are unable to afford the cost of the interlock program, in whole or in part.
- 4:30 pm – 5:00 pm **AIIPA compliance-based removal report**
This session will share the results from key informant interviews with jurisdictions who have implemented compliance-based removal features. Best practices & lessons learned will be discussed.
- 6:00 pm – 10:00 pm **Industry Networking Event**
Location: TBD

Wednesday, May 20, 2025

- 7:30 am – 8:00 am **Breakfast (provided)**
- 8:00 am – 9:00 am **Interlock Exchange - State Highlights**
Two states will provide a high-level overview of their program as a basis for audience discussion about the different ways states are approaching a variety of program features.
- 9:00 am – 10:00 am **Safety Partner Highlights**
Important road safety partners will summarize some of their latest initiatives in relation to impaired driving & ignition interlock programs.
- 10:00 am – 10:30 am **Break**
- 10:30 am – 11:30 am **TBD**
